

**REMARKS**

In the Office Action dated June 22, 2007, the Examiner reviewed claims 1-9 and identified two species of invention. Applicants hereby provisionally elect the claims of Species I (claims 1-3 and 7-9).

With respect to claims 4-6, Applicants have amended these claims to depend from claim 3. Given this claim dependency, Applicants submit that claims 4-6 are now also directed to the first species. Withdrawal of the restriction is requested.

In view of the foregoing, Applicant believes the pending application is in condition for allowance.
